

# Environment Policy

CJ Century Logistics Holdings Berhad strives to continuously protect the environment and minimize any negative impact on the environment which we operate in.

This shall be achieved via the following:

- Comply with all applicable environment laws and regulations
- Build a clear understanding of the risks to our organization of key environmental issues and develop strategic plans including:
  - Greenhouse gas mitigation
  - Waste management
  - Energy and water savings
  - Pollution prevention
  - Minimize materials and resources
- Inculcate a culture of sustainable environmental management by:
  - Developing the awareness and involvement of our employees
  - Implementing systems for environmental management
- Share best practices for environmental management across our divisions and external interested parties.
- Continual improvement of environmental practices in all aspects of our business.
